

CyberSecurityRoadmapSuggestions

This repository contains a list of roadmaps I created with my suggestions on LinkedIn and Twitter.

👉 😊 I hope you find it useful. 🌸

In addition, other platforms where you can connect with me for articles, repositories, and more that I will publish in the new year;

- <https://www.linkedin.com/in/brcyrr/>
- <https://twitter.com/brcyrr>
- <https://medium.com/@brcyrr>

Contents

The list includes roadmap suggestions for the following topics;

- Web Application Pentesting Roadmap
- API Pentesting Roadmap
- Mobile Application Pentesting Roadmap
- Cloud Pentesting Roadmap
- Active Directory Pentesting Roadmap
- IoT Hacking Roadmap
- DevSecOps Roadmap
- Red Teaming Roadmap
- Open Source Intelligence (OSINT) Roadmap

If you cannot access the links in the roadmap through the PDFs in the repository, please review the posts below. ⬇️
